

# Take The Next Steps to Become an **EliteAirFilters** Contractor.

The average homeowner speaks to an HVAC contractor once every seven years, but they change their air filters regularly.

Think about that for a moment.

This is a new revenue source with your current customers that will keep you engaged with them.

We'll ship filters directly to your customers and you share in the profit, **ALL AT NO COST TO YOU!**

## Join the **EliteAirFilter** Program Today!

- **Don't Worry** about how to get customers to remember you
- **Don't Worry** about stocking filters
- **Don't Worry** about crowded trucks
- **Don't Worry** about having the wrong size

## STEP 1: Sign Up

Scan the QR code below and fill out the form. Stripe Connect will contact you to set up an account. Stripe is the credit card processor handling the consumer purchases.

Once set up your profits will be deposited into your account every time a homeowner makes a purchase.

## STEP 2: Website & QR Code

**You will be provided with:**

- Your own branded website for Customers to place their orders.
- Branded labels for you to place on every filter you install.
- All filters shipped to your customers will have your label and reorder information.

## STEP 3: How it Works

- Your customer makes their purchase on-line.
- **EliteAirFilters** fulfills and ships the order directly.
- **Stripe** Connect deposits your profits in your account.

## STEP 4: What You Get

- **Make** more money
- **Better** Customer Retention
- **Free** Professional Marketing
